The TA, I feel did a better job of presenting the material than the teacher did. Maybe because it was a more engaging atmosphere, but I think he just presented it better. I learned a lot more during section than class.

I really like Phil's enthusiasm and he makes it really
easy to understand the information. I don't get bored in
discussion so Phil is doing something right.

Phil was a great TA. Very insightful and was very helpful with clarification Qs and homework Qs. Very open to discussion and would be a great prof. Great communicator and adaptive to my problems.

I credit Part Luck for all success I had
in this class

Amazing TA, explained the material very well and did not waste time like the other TA.

Excellent TA. Very responsive to difficulties and overall very helpful.

Thanks for being an awesome TA! I really appreciate that you clarify what the prof said. I'm pretty sure you're the reason why I'm dominating this class.
Great job!

ALWAYS AVAILABLE FOR O.H. AND
WILLING TO COMPROMISE WITH STUDENTS
SCHEDULES. GREAT TA!

This was my final course for my econ degree, and
you were by far the most clearly organized and knowledgeable
TA I've ever had. Thanks and good luck

Best TA I've had in a while.
is able to effectively clear up
any difficulties from class.

Great TA

TA discussion was extremely valuable.
Compliments the class so well.

Excellent job Phil!

I feel that you were very helpful in all manners of the course in helping me understand & clarify the material.

I really can't think of how could you improve your TA abilities.

TA much better than prof. Engaging,
explained things clearly.

about material and who effectively
communicates difficult concepts to
