Phil, you should teach.

You're awesome.

One of the best TA's I've had at UCD

The TA did a good job explaining  
the material and being there every day.

TA did a good job answering student's questions and on covering gaps in material from class, when applicable. Was enthusiastic about material.

Not much to say about improvement  
He was knowledgeable and helpful

I think that Phil Luck did an excellent job in discussions and helped me understand the material much better.

wonderful TA. Very articulate and clear.

Good job.

Good solid TA. Couldn't have asked for more. Job well done.

Phil is definitely one of the best t.a.s I have ever had. This was quite possibly the most helpful discussion section I have ever had. Phil is always enthusiastic and great at explaining things. He also asked us questions to keep us engaged.

Phil is the best TA I've had so far in  
ECON Department. His sections were always  
well-organised. I think he explained  
everything clearly, and even better than  
the instructor!

Hope he could teach the class! 😊

Phil basically taught the course, with super helpful sections that illuminated concepts which were hard to understand in lecture. I wish he could have taught the course. He was very clear and knowledgeable

Philluck is a amazing teacher.

he takes the material and breaks it down into very understandable and interesting points.

Phil is very helpful and really cares about his students,

I'm really excited about office hours and

asking phil questions. he makes me understand!

Phil is great 😊, incredibly smart guy  
and a really great teacher. Best of both! 😊

I enjoyed discussion with Phil because everything was laid out step by step. Things that were sort of glazed over in class were fleshed out more and graphs were so much easier to see + understand!

Phil Luck was a great T.A for the course. He explained the difficult concepts very well during discussion sections. His review sections are also excellent preparation for the exams. Overall, he is one of the best TA I had in any economic class.

He did a good job.

Best TA I've had, all four years  
Very clear. Exelent.

Phil was a great TA  
but I disagree heavily w/  
his choice of NBA teams.

Phil did a great job. Discussion was really helpful and explained concepts that were difficult to grasp. I liked that he was willing to have review sessions.

Really good TA. Very clear and thorough and  
extremely helpful. Sections were very helpful.  
No complaints ☺

Great job! wonderful review sessions. Very helpful.

Top Econ TA I ever had. future  
Teacher in my eyes.

Phil was great. I never went to  
Section (#winking!!) but in class, office hours  
and midterm reviews he was super  
helpful and did a good job explaining  
material and answering questions. Between  
Phil and Anson, we had a great, knowledgeable  
TA instructor combo.

WAS VERY ORGANIZED DURING REVIEW SESSIONS AND DISCUSSIONS

The TA did a really good job going over materials and reviewing them during discussions. I have internship on Mondays but I always tried to not to miss discussions because I find them to be very helpful.

Also, TA is very approachable and is willing to hold extra office hours for students not being able to make it to the regular office hour.

Thank you!

Really approachable, patient with  
Students, would enjoy taking  
another course with Phil

Phil is an awesome TA, I wish I could have him leading all my discussion sections. He's timely, very smart, & most importantly, cares that the class knows & and can work with the presented. Best TA @ UCD in my opinion, & would make a great instructor.
