Gabby grades way too hard, I was glad you were my TA over him. It was really hard to hear you or other students in discussion b/c the class echoes. You should repeat what students say and maybe write the main important points of the discussions on the board.

Best TA ever.

Handwritten notes or stamps in the top right corner, including the word "Control" and other illegible text.

Main body of handwritten text, consisting of several paragraphs of notes, some of which are mirrored or bleed-through from the reverse side of the page.

Vertical text on the right edge of the page, likely from the reverse side, including the number "1" and other illegible characters.

easy - as in husband

Speak Latin / French / sometimes mumbled

Clear and helpful. knowledgeable on the subject.

~~SEXIPAT~~ T.A. ENERZ!

One of the top 3 econ TAs I've ever had during my 4 years at UC Davis. Always on time w/ a game plan in hand.

Great TA. Taught the material clearly, and greatly enjoyed
discussion sessions.

Great Speaker, and great TA
could be a bit more timely in
returning homework at times, but
overall great job

The discussion room had unusable
acoustics making learning impossible.

Great T.A. Helpful during discussion & office hours.

For future IGOA:

the ppt's are somewhat disorganized.
It'd be useful in discussion to
categorize the models.

ie: Tariff

PC vs imperfect comp.

Quota

PC vs imperfect comp.

Of course, students should do this
themselves. But it helps.

Thanks so much Phil.

Extremely good job at
making things clear.

My only advice is to
work on budgeting time in
section (not sure how though).

• you tried to be organized in what you wanted to talk about but I feel that you rushed through it sometimes and what you were trying to tell us got lost.
